A Wonderful Cure of Diarrhoea

A prominent Virginia editor had almost given up but was brought back to perfect health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read his editorial.—From the Times, Hillsville, Va.: I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy I decided to try it. After taking a few doses I was entirely well of that trouble and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. R. Moon, Sold by all druggists.

A Magnificent Portrait of . . .

Admiral Dewey

In Ten Colors Size, 14x21 inches.

Will be published by us shortly. It is now being printed for us on heavy paper in a form suitable for framing, by one of the largest art lithograph houses in America, in the famous French style of color plate work. Every American family will want one of these handsome pictures of Admiral Dewey. It must be remembered that this picture will be in no sense a cheap chromo, but will be an example of the very highest style of illuminated printing. It will be an ornament to any drawing room or library. Our readers can have the Dewey portrait at what it costs us, namely twenty cents per copy, by merely filling out the coupon below, and sending it to this office at once. There will be such a demand for this portrait when it is published that we advise sending orders in advance; as many copies as may be desired can be had on one coupon, providing twenty cents is sent for each copy. Write name and address plainly; remit in coin or postage stamps.

To The Daily Orb, Bisbee, Cochise Co., Ariz.

For the enclosed remittance . . . cents send me . . . copies of the Admiral Dewey Portrait in colors, as described in today's paper.
